

Does **Your Company**
Do Business with Oklahoma Counties?

Are You Looking
to **Expand Those Opportunities?**

Through ACCO's membership program, we offer you as a vendor, a high contact, low cost approach for face to face opportunity for product, knowledge and demonstration.

Our Membership levels are created to afford you an opportunity to meet our 231 elected Commissioners, who serve as the executive board of every county within the state of Oklahoma. ACCO provides companies the chance of networking with our conferences throughout the year, along with constant efforts to upgrade and utilize electronic media for showcasing your company and products. Your involvement is essential in assisting our members in product information and services, as well as serving as an advocate for infrastructure needs within the counties.

Enclosed you will find the renewal membership packet and advertisement options for calendar year 2017. Please take note of our deadline dates and if you have any questions regarding membership, feel free to contact:
